25mm Snap

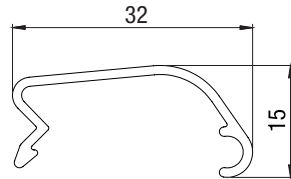

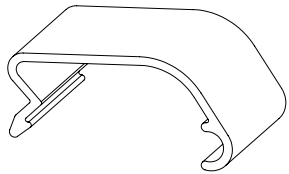

25mm backing

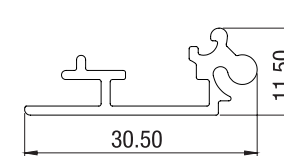

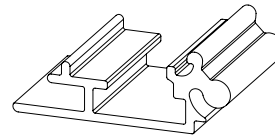

This profile is particularly suited to small frame typically upto A2.

32mm Uni - Frame

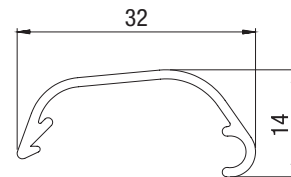

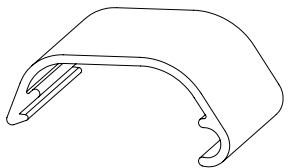

32mm body for 3 - 3.5mm backing

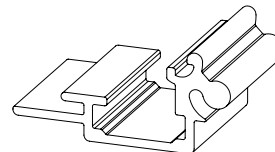

32mm profiles are suited to general purpose usage for a wide range of sizes. Available with rounded corners.

32mm Tamper Resist Uni - Frame

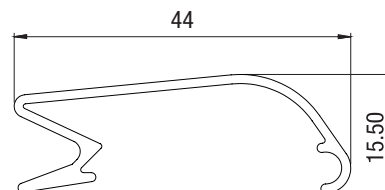

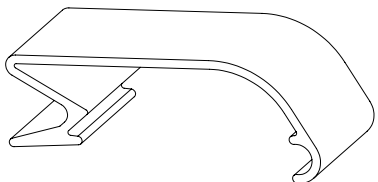

32mm Thin body for 0.5 - 1.2mm backing

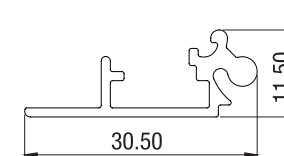

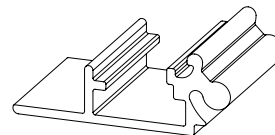

Tamper-resist profile to be used where tampering with the posters is to be discouraged. Bullnose finish makes opening of frame more difficult.

44mm Uni - Frame

32mm Hollowback (removable backing)

44mm frame best suited to large applications requiring large frames, typically A1 or bigger.
